Subject: ITS Tennessee Members - FREE Traffic Incident Management Webinar - February 25th

## PBS&J National ITS Services Technical Presentation Series

### Traffic Incident Management

#### Florida's "RISC" – Worth The Reward!

Florida has recently gone statewide with its highly successful Rapid Incident Scene Clearance (RISC) heavy-wrecker program. RISC is a great tool that highlights the public and private sector's shared goal of safe, quick incident clearance. RISC training is being held around Florida with the Florida DOT, Florida Highway Patrol, and others; here is your opportunity to preview this training.

PBS&J invites the ITS Tennessee membership to join our National Technical Presentation Series as our Traffic Incident Management team members discuss an overview of this innovative program.

Date: **Wednesday, February 25th, 2009**

Time: **12:00pm Eastern, 11:00am Central**

Location: **WebEx from the comfort of your own office OR join us at PBS&J's Nashville office ( 402 BNA Drive, Suite 350) where pizza will be provided.**

**To register for this training session**

Go to <https://pbsj.webex.com/pbsj/k2/j.php?ED=117549367&UID=105187982&FM=1> and register.
