- If you would like to pay by credit card, please complete your registration online by visiting the ITS TN website at [ITS Tennessee](#)

## TOURS

As part of this year's Annual Meeting, ITS TN has also put together two interesting tours for the meeting attendees. Please review and let us know if you would like to attend, and we will arrange for your transportation from the Hilton, to the tour site, and back. Exact times for all tours will be announced closer to the meeting. All of our tours have limited space, so sign-up early to reserve your spot for one or both of these exciting learning experiences. There will be no charge for any of the tours.

- **Oak Ridge National Laboratory**

**Thursday Afternoon, October 8<sup>th</sup>**

The Oak Ridge National Laboratory (ORNL) tour will consist of visits to a selected number of transportation laboratories and demonstrations at the main campus of ORNL. The tour will involve four venues dealing with advanced communications technologies, Geographic Information Systems (GIS) technologies for planning, a unique composite material test facility, and a knowledge discovery framework for the US transportation system. The final ORNL tour venue is subject to change prior to the ITS-Tennessee meeting. If you are interested in attending the ORNL Tour, please check the box below.

**Due to security requirements, special badges will be required to participate in this tour. As such, sign up for this tour closes on September 1, 2009 for non-US citizens and closes on September 22, 2009 for US citizens. Those wishing to participate in this tour will be contacted prior to the ITS-TN meeting for information that will allow them to obtain a security badge for the tour.**

Yes, I will attend the Oak Ridge National Lab Tour – Thursday Afternoon, October 8<sup>th</sup>

- **TDOT Region 1 Traffic Management Center**

**Thursday Afternoon, October 8<sup>th</sup> or Friday Afternoon, October 9<sup>th</sup>**

Holding with our trend from the previous two annual meetings, there will be a tour of the local Tennessee Department of Transportation (TDOT) Traffic Management Center (TMC). TMC's are the hubs of Smartway, TDOT's Intelligent Transportation System. The Knoxville system consists of 50 miles of fiber optic backbone, 17 dynamic message signs, 75 CCTV cameras, 213 vehicle detectors, and 4 highway advisory radio transmitters. The tour will consist of a power point presentation highlighting all aspects of the Smartway system, a walkthrough of the operations and communications room, and a look at an incident response HELP truck. Additional information will be provided at the registration desk upon arrival at the meeting. If you are interested in attending the TDOT TMC Tour, please check the box below.

Yes, I will attend the TDOT TMC Tour – Thursday Afternoon, October 8<sup>th</sup>

Yes, I will attend the TDOT TMC Tour – Friday Afternoon, October 9<sup>th</sup>

## GOLF

We will also offer an ITSTN Golf Event at an additional cost of \$30 per player. This year's event is planned for the Three Ridges Golf Course on Wednesday, October 7<sup>th</sup> with a 1:00 PM EST tee time. Any questions should be directed to Mark Best at (865) 594-2327 or by email at [mark.best@tn.gov](mailto:mark.best@tn.gov).

Yes, I will play in the golf event – Wednesday 1-6 PM EST, October 7<sup>th</sup> (Add \$30 to registration fee.)

## TRAINING

ITSTN is offering a training session on ITS communication technologies on Wednesday, October 7<sup>th</sup> from 1-5:00 PM EST. The session is anticipated to cover a broad range of communication topics taught by industry experts. The training session is offered at an additional cost of \$25 per person.

Yes, I will attend the training session – Wednesday Afternoon, October 7<sup>th</sup> (Add \$25 to registration fee.)

For additional information visit the ITS TN website at <http://www.itstn.org/> or E-mail Brad Dennard at [braddennard@pbsj.com](mailto:braddennard@pbsj.com).
